In an effort to recognize excellent examples of the use of brick, block, stone in small and mid-size projects, the Institute has created

THE MASONRY INSTITUTE OF IOWA APPRECIATION AWARD

Eligibility

Building projects must be installed by MII contributing masonry contractors. This award is open to all building projects involving masonry products, supplied by MII contributing members, valued at \$3 million dollars or less, all landscaping projects including segmental retaining walls, which have been completed in the past 24 months.

Awards

The MII Award will be presented quarterly from nominated projects. The award will include recognition plaques for the owner, designer, and contractor/installer.

Selection Committee

The MII Award Chairman and the Promotional Committee will consist of the Selection Committee.

Criteria

Submissions will be judged according to the following key elements:
Contributions to the masonry industry, contributions to the community, visual appearance, and professionalism in construction detail.

Award Presentations

Quarterly awards will be presented when and where deemed appropriate.

Publicity

Winning projects will be recognized in *MII Masonry News Magazine* as well as Press Releases to all local media.

Entry

Submit up to 4 photo images of any qualifying project, and include the names of the owner, designer, contractor/installer (if applicable), material supplier, description of material used, date of project completion, as well as full contact information. Submissions can be mailed or electronically submitted to: admin@masonryinstituteofiowa.org

Submission of entries constitutes permission to use materials for promotional purposes. Contact the Masonry Institute of Iowa office for more information.
